

*MANGO FASHION AWARDS 2012-2013*

The Mango Fashion Awards are the most important prizes of the fashion design; candidates from the entire world have the opportunity to present their proposals

The works of the finalists have been exposed in 20 windows in the main shopping street of Barcelona, el Passeig de Gracia. After one week, the jury decided that the winner was Wisharawish Akarasantisook.

We have manufactured a 50 cm diameter sphere for the top of the mannequins, with vinyl's announcing the event. Pasqual Arnella also participate in the assembling of the balls to make a perfect work according to the importance and quality of the celebration.
